

Help design a royal woodland seat competition

A competition for children aged under 16 years

As part of our Platinum Jubilee celebrations in Mid Sussex young people up to the age of 16 are being asked to design a Jubilee themed woodland seat, which will be placed near the 'Queen's Canopy' trees.

Volunteers at the Burgess Hill Shed craft workshop will create the seat using the winning design as inspiration - providing an enduring memory of this special year.

Closing date Tuesday 7th June 2022
